An aerial photograph showing a massive queue of trucks, primarily semi-trailers, stretching for miles along a multi-lane highway. The trucks are packed closely together, filling both directions of travel. The highway is flanked by dense green trees and foliage. In the background, a blue overhead road sign indicates directions for 'Channel Tunnel', 'A 292', 'Boulogne', and 'A 2070'. A smaller blue sign on the left side of the road points to 'Services (Trucks only)'. A yellow speed limit sign with the number '50' is visible in the lower left. The sky is overcast and grey.
